The Chinese culture belongs not only to the Chinese but also to the whole world.

---Hu Jintao

People always say that the Chinese are everywhere. There are MADE IN CHINA all around our daily life even though we're in the USA. And I have to admit that Chinese elements are unique and special.

Hanfu Clothing is the traditional clothing of the Han Chinese (Han- the predominant ethnic group of China). It's the significant cultural symbol of Chinese civilization, and it has had a long history of nearly 4000 years since China originally began.

Chinese-style furniture inherits the Chinese-style interior decoration design art style of Chinese classical architecture represented by the palace architecture. It is magnificent, magnificent, luxurious, high-space, large and deep, carved beams and painted ridges, magnificent, exquisite in shape, symmetry, and contrast in colors. The decoration materials are mainly wood. There are many dragons, phoenices, tortoises, lions, etc., which are meticulously crafted, magnificent and ingenious, integrating art, health, and collection values.

China is well known for its food all over the world. There are eight famous cuisines which are Lu, Chuan, Yue, Min, Su, Zhe, Xiang, and Hui. People in the north usually eat noodles and dumplings while the people in the south eat rice and seafood.

Ethnic Musical Instruments are unique instruments of China. Nowadays, popular instruments are qin, Zheng, xiao, di, Erhu, Pipa, silk bamboo, and drum, which represent the traditional Chinese musical culture.

Chinese culture belongs to the whole world.
